INVITATION

Respected Friends,

Greetings from the Organizing Committee of AONEI Annual Conference 2024.

We are delighted to host the upcoming 19th Annual Conference of Association of Oncologists of Northeast India (AONEI). AONEI was conceived in the year 2004 with the goals of improving the standard of oncology practice in the North East of India, through exchange of scientific knowledge, collaborative work, continuing medical education programs, symposiums and workshops in different parts of the region, and community work.

As AONEI approaches 20 years of existence, we celebrate by organizing the 2024 annual conference under the theme "Expanding Horizons – What's Known & What's New". AONEI 2024 will be an all-inclusive comprehensive programme, applicable to all fields of oncology and allied services and will have something for everyone. The conference will be held at Hotel de Oriental Grand located in the heart of Kohima city, the capital of Nagaland, which has a rich cultural heritage surrounded by beautiful mountains and scenic natural attractions nearby.

AONEI 2024 conference will begin with a preconference live workshop on Friday, the 2nd of February 2024, followed by the Conference (3rd-4th February) which will conclude on Sunday at 12:00 noon. AONEI 2024 coincides with the World Cancer Day on Sunday, 4th February 2024. We envision that our programme will serve as a catalyst to educate and create awareness amongst the medical fraternity, the government and the public, in line with the World Cancer Day 2022-2024 theme, Close the Care Gap.

On behalf of the organizing committee, we look forward to seeing you at the AONEI 2024.

Best regards,

Organizing Committee
